

## REMARKS

The foregoing amendments are made to place the claims in better form in accordance with US Patent and Trademark Office practice. No amendment of the claims was related to the statutory requirements for patentability unless stated herein or for the purpose of narrowing the scope of any claim unless argued herein that such amendment was made to distinguish over a particular reference or combination of references. Favorable consideration and allowance is respectfully solicited.

The Commissioner is authorized to charge any deficiency in such payment or any payment required in connection with the filing of this response or to credit any overpayment to Deposit Account 13-2855. A duplicate copy of this paper is enclosed.

Respectfully submitted,
